Rob and Chaney,

Just wanted to check back in. The Politico story on Governor Haley will be up tomorrow at the latest. It's had to be revised a few times, most recently with the governor's endorsement of Marco Rubio yesterday. The story itself is focused on Haley's role in the Republican party. Basically, while she's stayed the same politically, the party itself is much different than it was back when she took office.

I did have one quick question: Was the governor at the Republican debate Saturday? I'd seen several notes saying that she planned to go, but nothing confirming that she actually did. Also, I didn't see that she talked to any reporters afterward. Wanted to make sure that was true as well.

You can reach me at 304-617-3868 if you have any questions. Thanks again for your help.
