---

Danny,

Thanks. Congratulations on your new position. I know you will do a good job. Darryl contacted me on Friday, during which he updated me on pending legislation and I was able to update him on our review of adult protective services at DSS.

Thanks.

Andy

Andy, I know that you called me a while back, and I never responded. I think that your message concerned the Senate bill transferring Aging to DoA, and I trust that you know that it was amended to make Aging a gubernatorial appointment.

We also have appointed Darryl Broome as ED of Aging, and I will ask him to contact you concerning the LAC review of DSS. Please let me know if you need to talk to me on other items. I'm sorry to have been so tardy on my response.

Thanks

Danny
