Hey Hayden,

I just shared a "working document" with all the details for precinct reorg and county conventions - please let me know if you have any questions.

Thanks!

Hope,

I just wanted to touch base with you again about the County Convention's dates. I was hoping I could get whatever information you have regarding the conventions. I have been contacted by a few county parties already and need to know what options are out there before I respond to their requests.

Thanks for your help.
