Mr. Orrren:

By way of this e-mail reply I am copying Katherine Veldran in the Governor's Office. I am certain she, or someone on the Governor's staff who is expert in answering hacking questions, will soon be in touch with you.

Subject: SCDOR INFORMATION HACKING UPDATE

Sir,

I recently received what I think is a spam email from Experian on behalf of the SCDOR saying that my personal ID information was one that was accessed, though I've not received a letter from SCDOR saying the same thing. I suspect this is a phising email. Can you confirm that the Experian email is valid or not?

Sincerely,

Dale
