

Please Make SC safer by  
making people buckle up on buses.

P.S. I met you!

Dear Governor Haley,

November 12, 2015

My name is Hayden Garrison Laye and I am a fifth grade student at Walhalla Elementary School. I am concerned about the safety of students that ride school buses. I feel that seatbelts should be required on all buses. Thank you for taking the time to read my letter.

Your friend,

Hayden Garrison Laye
