Dear ADSSP, ADI, and Systems Integration Grantees and Collaborative Partners,

The National Alzheimer's and Dementia Resource Center (formerly the ADSSP National Resource Center) team has prepared this list of recently published resources covering a range of subjects of interest to grantees and partners. This list does not represent a comprehensive examination of the recent literature in any one subject or topic. Links to the publisher's websites have been included if an article is available for purchase or for free download.

Thank you,
