& move to a quiet park. They were so loud and annoying we never even got to enjoy the park :-)

at 17:25:11 on 11/02/2015 UTC

Chip Cranford I agree with Jane! This has totally gotten out of hand. I have been fishing this lake for over 35 yrs. and this past spring & summer has been the worst. It's not just the jet skiers either. There are boaters who aren't aware of how to navigate safely when the lake is crowded. Several times I had boaters ride right across my line while bass fishing. One of the most unsafe areas is where people are skiing or tubing in the narrow rivers feeding the lake. Mark my word, there will be a serious accident here before SCDNR does anything. They don't have the officers or resources to patrol it like they should. Lake Jocassee has always been my favorite lake to fish and by far the most beautiful lake in SC! Let's keep it that way! !

Donna Ferguson Pigford Yes ! It's a really nice place .

Travis Garrett I'll have to agree with the other 7 post ahead of me. Think yaw need to really reconsider the pet in villa policy. Even if we have to pay a 100\$ pet security posit it would be worth it for us to have our furbabies with us
at 20:12:34 on 11/09/2015 UTC

Travis Garrett Are there camper sites there?
at 20:13:44 on 11/09/2015 UTC

Brooke Simon My puppy doesn't chew anything but her antlers we have for her. We have at least 6 at a time. If that's what you're worried about then no worries here :) she's my child...been with me 24/7 since she was 5 weeks old...she's a year old now so I couldn't possibly go anywhere without her. I would hate to see how she acts when I get a job...if that ever happens lol

Harrison Manning Lake Jocassee is beautiful. Have tent camped the park and stayed at an amazing house on the lake. World class trout fishing. Lake Jocassee holds 4 state record fish species I believe.

Mary Ann Gunter Renee this place is awesome. My ex, Bubba, Kristy and I used to rent one of these villas instead of goint to the beach for a week. We did this about 5 summers in a row.

come back in March now. 😊

Kam-Ming TL Very glad no dogs are allowed in the cabins. No offense, but due to family members with allergy related asthma, that is a big deal for us especially with no nearby medical facilities near Edisto which is where we vacation.
at 23:14:39 on 11/12/2015 UTC

Brooke Simon Then they could have half with pets allowed and half without pets allowed :)
