Subject: msnbc inquiry re: Charleston shooting

Hi Chaney,

In light of the governor's call to remove the Confederate flag from South Carolina's capitol grounds yesterday, I was wondering what her position was on gun control legislation and whether she feels it needs to be strengthened in the wake of last week's shooting massacre. Feel free to email me here, or you can give me a call at: 212-664-1774

Thanks so much,
Emma Margolin
