Good Morning,  
There may not be anything we can do but I didn't know where to start with this. Do you have any insight as to what can be done or who to contact?

Thank you!  
Becca

Davey Steven and Candace Day have

been in Honduras since January serving as missionaries! They shipped  
two containers from Charleston with their belongings ! It has been at  
the port in Honduras since the last of January! There was issue with  
the paper work from Charleston! To make a long story short they are  
being charged \$40.00 per container for each day's it sits at port.

I know there is nothing that can be done about that but they got word  
last week that Charleston is fining them 2000.00 per container because  
they have not been returned! These kids are self supporting they  
raised money last year for their stay and work over there. This is  
taking a chunk of their money, do you have any connection in  
Charleston or know anything we can do?

Thanks

Margaret Day
