Mike Walker spent the first ten years he worked for South Carolina State Parks bouncing between jobs. Until, in 2001, something special made him settle down as the Interpretive Park Ranger at Huntington Beach State Park in Georgetown County. "That's the whole reason I came back to this park... to ma...

**Anna Roblin** Hello, I hope you're doing well. Please please pass this on everywhere !!! It contains proof that Biden is a unacceptable candidate and this info is being hidden from us by our media and the black community is being sorely taken advantage of and tricked. Please read and spread the word so that others will have the knowledge to do the right thing !! Take care !!

I'm sorry to say it but it's always best to admit unpleasant truths !!! Biden is very corrupt, a huge liar, and and he's also mentally unstable - he has mental lapses that cause him to speak nonsense. Hopefully no one thinks that it's ok to have a President that has those kinds of mental lapses, its not possible that it's safe for a leader to have this, and he is only getting older, so they'll likely get worse over time.

Biden lying and plagiarizing many times over the years, with solid proof of it

<https://youtu.be/wTgPbLkh3F0>

Biden absolutely has a racist history. So does Pete.

Here's a video with proof of his mental lapses. It's pretty bad. There's also ALOT of other examples of him recently lying or having them, saying untrue things and remembering things wrong.

<https://youtu.be/XsNQ6v1Vxuk>

He also says he will not try much to stop fracking and he has been for cutting social security in the past, and then he lied about being willing to cut it.

<https://t.co/1UmSoNoPFz> <https://twitter.com/NYforSanders/status/1217116167367806976?s=20>

<https://m.youtube.com/watch?v=PziXdkl3n-o&feature=youtu.be>

Here's a Biden quote

"And so, the younger generation now tells me how tough things are. Give me a break. No, no, I have no empathy for it. Give me a break."

Here's a video of his inappropriate touching which he never acknowledged was inappropriate and he made inappropriate comments on after being called out on it.

<https://youtu.be/A9U6r1xrWs>

He lied about being arrested trying to see Mandela (faking things to get the black vote as usual)

<https://www.bbc.com/news/world-us-canada-51648166>

Please care enough to admit these horrible things about him are true and pass this on to others. Please confront all people, especially politicians who support him, with the truth about him. We cannot have someone like him in office. Thankyou and take care.

**Melissa Burnell** It's about time, I've never seen a construction project dragged out so ridiculously in my entire life and I've been married to a contractor for over 20 years. There's no reason it should've taken longer than 16 weeks to complete, from start to finish.
