Take a Load off Your Network

<http://hughesbusiness.hughes.com/rs/hughesnet2/images/franchise2-divider.jpg>

Dear Nikki,

Ready to take a load off your network and save on average 34% to 75% over T1 at the same time? It's not too good to be true!

HughesON Managed Network Solutions
<<http://pages.myhughessolutions.com/jZKM020jV001k09FAur0500>> deliver a robust network with a cost-effective and secure mix of DSL, cable, wireless, and satellite broadband technologies to **meet the specific needs of every site**. Supporting **voice, data, and video requirements** for all your locations, HughesON offers better performance from your apps on a more resilient network.

One Network, One Provider, One Bill

- Superior WAN performance
- Site-by-site needs analysis
- Mix of technologies to meet the needs of your agency

- Maximum use of existing facilities
- Options for managed security, high-availability, and high-capacity networks
- **Average savings of 34% to 75% over T1**

Put our experienced solutions consultants to work for your agency.

How an agency with 200 sites can save \$1.7 million over three years.
