Also the place is not easy to find but when we did we saw the sign with entry fees. It showed a seniors rate of 6.50 but when we arrived at admissions they told us it would only apply if we were South Carolina residents and asked for our zip code. Since we are Canadians who took a day out of our holiday in Myrtle Beach to specifically go to see Charleston we were a bit ticked and so left without seeing it. Cannot say I would recommend anyone going and many of my friends have expressed an interest in the past. Just thought someone should know.

Seemed to be an attitude problem overall.
