Subject: Fw: New Ideas for South Carolina State to get GRANTS to protect  
Citizens

This is taking off and our Citizens are being left behind on building jobs and  
small businesses. North Carolina is set to take over the Hemp Industry because  
you'll won't support South Carolina Citizens!

I hope this information will give you ideas to help Hemp for Mother Earth create  
agriculture to manufacturing jobs and small businesses for our Citizens! The  
nano sheets were sent to you earlier .....
