Amy,
It's great to hear from you!
Please tell your parents I said hi. I will pass the request along to Leigh, our scheduler.
The next couple months will be extremely busy with the election and all but we will see what we can do.
Thank you,
Katherine

Good morning, Katherine -

This letter is short. I know you are busy. My father said the best person to contact is you.

I am writing to ask if Governor Haley can visit the Children's Museum of the Upstate when visiting Greenville.

This museum did have some initial public dollars, but the overwhelming majority of these dollars came from individuals and companies in the Upstate. (I know her concerns about public funding for museums.) This is NOT an institution supported by public dollars.

This museum was largely supported by private funds from individuals and businesses. We have had over 200k visitors per year annually.

The museum has over 200k visitors per year The monthly budget is sustained through private sponsorships and ticket sales.
There are

I have been on the Board for eight years

Warm Regards,

Amy
