Holly,

Please see the link below for a detailed report. This report will give you names, address, and gift amount. You may export this data. The ones that have a "Yes" the "Yes" column, have asked to be anonymous. Due to that, you may want to refrain from sending any acknowledgement from the Governor's office. Also, note the status of payment. I will clean up the unpaid periodically but if you check the report before I have chance, it should be clear.
