I was assuming Col. Shwedo would ultimately direct her to One SC.

Wouldn't we also direct her to One SC?

Subject: FW: SC Flood Impact

Is this something we would forward to Col. Shwedo?

Thanks.

Greetings David,

Thank you for responding. I work for a fraternal benefits society... the largest in U.S.. It is a membership organizations of Christians helping people be wise with money to live generously and strengthen communities. Our members direct their would-be tax dollars to causes they care about... to the tune of about \$200k annually. I am trying to get the most current statistics to continue to promote the need so people will donate funds and volunteer hours to make a difference for the victims of the flood. Information such as how many people were impacted??? How many people lost their homes? How many were out of their homes/may still be As a result of flooding impact? What are people being encouraged to do now that will make a meaningful difference?

I see Flood relief projects being held by our members weekly.... Fundraisers, gifts for kids, cleaning buckets assembled, etc. What is Gov. Haley recommending on behalf of SC?

We have a website, magazine and member distribution system that we can promote the need and ways to be a part of the solution.

THANK YOU,

Susan L Yount

Mrs. Yount,

Thank you for your email to Gov. Haley's office regarding flood damage estimates.

In order for me to best facilitate the answers to your questions, do you mind providing me with a more specific list of questions as well as a further explanation of the use of the information.

Thank you in advance.
