100 Lacebark Court, Simpsonville, SC 29680

November 21, 2015

The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

The Honorable Nikki R. Haley:

I would think it would be safer if we had gun laws in the Untied States. I think that schools would be safer and lots of other states right know. The reason I think that this would be smart to protect people from terrorist attacks and school shooting. The Paris shooting can shoot people in America and if we have a gun law we can fight back.
