Attachments: REPORT ON TITLES ISSUED IN ERROR.doc

Here is the information on the titles issued in error. There was a batch of 132 titles that were apparently run 2 times and mailed. The numbers as to whether they are real customers are not may be a little off. I am using my judgement based on the names indicated. As information, some of the employees have already returned the titles issued in error. Some may come back undelivered because they were mailed to Gervais Street and other real addresses but incorrect names.

If you have any questions, please let me know.
