Yes. I determined what the problem was and worked with Santee Lynches to correct all the monthly allocations that were changed. This was completed about 3 weeks ago. I then notified Dorn that the UB04's now match the data in the PPL Portal and they were going to submit them for payment.

I sent an email earlier this week to check on the status but have not heard back. Will check again today.

Hi Tony,
Hope you are having a good evening. Just wanted to let you know that another payment for \$39,616.54 was posted today on VIS. All for Dorn for July.
