A SCRIPTURE AND PROPHECY
Given by the Lord in August 1982
Mobilizing MEN FOR NATIONS

"I will surely gather all of you, O Jacob; I will surely bring together the remnant of Israel. I will bring them together like sheep in a pen, like a flock in its pasture; the place will throng with people (a noisy multitude of MEN—RSV). **One who breaks open the way will GO UP BEFORE them;** they will break through the gate and go out. Their king will pass through before them, the LORD at their head."—Micah 2:12-13 NIV.

"For I would lead and guide My men 'who go before' by My Spirit in power, and direct them to specific places that I have for them. These places have men that have been prepared by My Spirit to hear the word that I would give My men 'who go before.' These men have receptive hearts and will be obedient to the moving of My Spirit. For I am preparing in these last days a Gideon army of men that will stand as warriors for the Lord, fighting the forces of darkness through prayer, and in particular through the special language of prayer in the Spirit. I will use only men who have clean hearts, are obedient, and will listen to My Spirit and follow through with the directives of My Spirit. I am raising up these special men around this nation and around the world. They are even now being prepared for this task--PRAYER WARFARE. They are not many, but they are men who can be trusted, and men that I can use.

"I will bless this work of My men 'who go before,' and I will anoint their words with power, so that these words will speak directly to the hearts of the men that I have been preparing. They will rise up and take the challenge of the Lord and I will have My warriors in place for battles ahead."

GOD'S DILEMMA :

AMERICA was blessed as long as we honored GOD and obeyed HIS laws

OUR NATION has turned her back on GOD violating his laws and covenant

GOD.s hedge around us has been removed

ALL OUR INSTITUTIONS are under seige

Matthew.13 24-28, 36-39

OUR ENEMY did this 'while men were sleeping'

WE ARE RESPONSIBLE for what happens on earth

Psalm 134

You and I will determine THE DESTINY of AMERICA by our prayers of faith

Matthew 6 9-14
Luke 2 25-26, 36-38

OUR NATION was founded by godly forefathers who respected the covenants of GOD and who established America as "one nation under GOD" -- His law, His promises and His mercy. GOD has blessed America. He honored us as long as we have honored him.

GOD and HIS LAW are no longer respected. Humanism has taken over our schools and courts. Covetousness is exalted, even in our churches. Traditional family values are mocked. Immorality and violence fill the media. Every hour, over 200 unborn babies are mutilated or suffocated for convenience sake. Drugs are epidemic. Cults and witchcraft abound. *How could this have happened in a nation founded on Christian principles?*

By our apathy and prayerlessness we have allowed Satan, the god of this world, to put our entire nation **under seige** -- including the NEA, ABA, AMA, our schools, our congress and even our churches. We are losing by default. We will perish, if we do not wake-up and reclaim our national institutions, NOW !!

As Christians, YOU AND I WILL DETERMINE THE DESTINY OF OUR NATION. GOD has given you and I executive authority here on earth. He has put us in charge of our communities. He holds you and I responsible for what He is able to do here on earth.

What he does redemptively here on earth is always by EXECUTIVE REQUEST. His honor, His Kingdom and His will here on earth depend on our prayers of faith. In fact, CHRIST will not return to this earth until we invite him. He would not have come the first time without the prayers of his people.

to Heal or Destroy America ?

IF MEN INTERCEDE for America lifting holy hands, GOD will stop our evil by healing our nation:

If my people who are called by my name humble themselves, and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land. 1 Chron 7 14-15

GOD sent a revival and healed America four times when Christians cried out fervently for His mercy--
...in 1734

The First Great Awakening

...in 1794

The Second Great Awakening

...in 1859

Laymen's Noonday Prayer Revival

...in 1905

The Welsh/ Worldwide Revival

It will take extraordinary prayer to save America. Revival comes only through concerted, united and sustained prayer claiming God's covenant promises.

IF MEN DO NOT INTERCEDE on behalf of our nation, GOD is left with only one option by which he can stop our national crimes and crisis: HE must destroy us as He did Israel--thereby, putting an end to our gross evil and wickedness.

GOD WILL NOT TOLERATE the slaughter of millions of innocent unborn babies to the gods of lust and greed. Our land is defiled by their blood, crying out for GOD's judgements. A land saturated with innocent blood, the Lord is not willing to forgive.

Only the fervent prayers of righteous men can stay GOD's uplifted hand of final judgement, allowing GOD to forgive and heal our nation.

WHEN...men violate his law GOD MUST ACT to stop rebellion and evil

Psalms 119 126

GOD'S ONLY OPTIONS

IF men repent & intercede GOD WILL HEAL our cities & nation

Isaiah 64 1-4
Psalm 80 & 85
Isaiah 32

IF men do not repent & pray GOD WILL DESTROY our cities & nation

**MEN must launch a
Pre-dawn Prayer Offensive**

Psalms 110

1 Sam 13:1

Ps 119:148

Psalms 57

Psalms 101:8

**MEN must cry to the Lord
DAY AND NIGHT**

Luke 18

Isaiah 62

UNTIL

**the Church is revived,
AMERICA IS RESTORED
& the world evangelized**

Nineveh was scheduled for destruction in 40 days. The entire city repented and cried to the Lord for mercy. The prince humbled himself and came down from his throne and even infants were taken from the breast. The entire city fasted and prayed. **GOD DID NOT DESTROY NINEVEH** in 40 days as prophesized by Jonah. Instead, He gave them them an extra 125 years. *If the Lord was this merciful upon a heathen nation, might he not give America an extra 125 years?*

But this will require Nineveh-like repentance. They all cried earnestly to the Lord from the greatest to the least. Our entire nation must repent, led by our elected officials, judges, professionals, executives and heads of families.

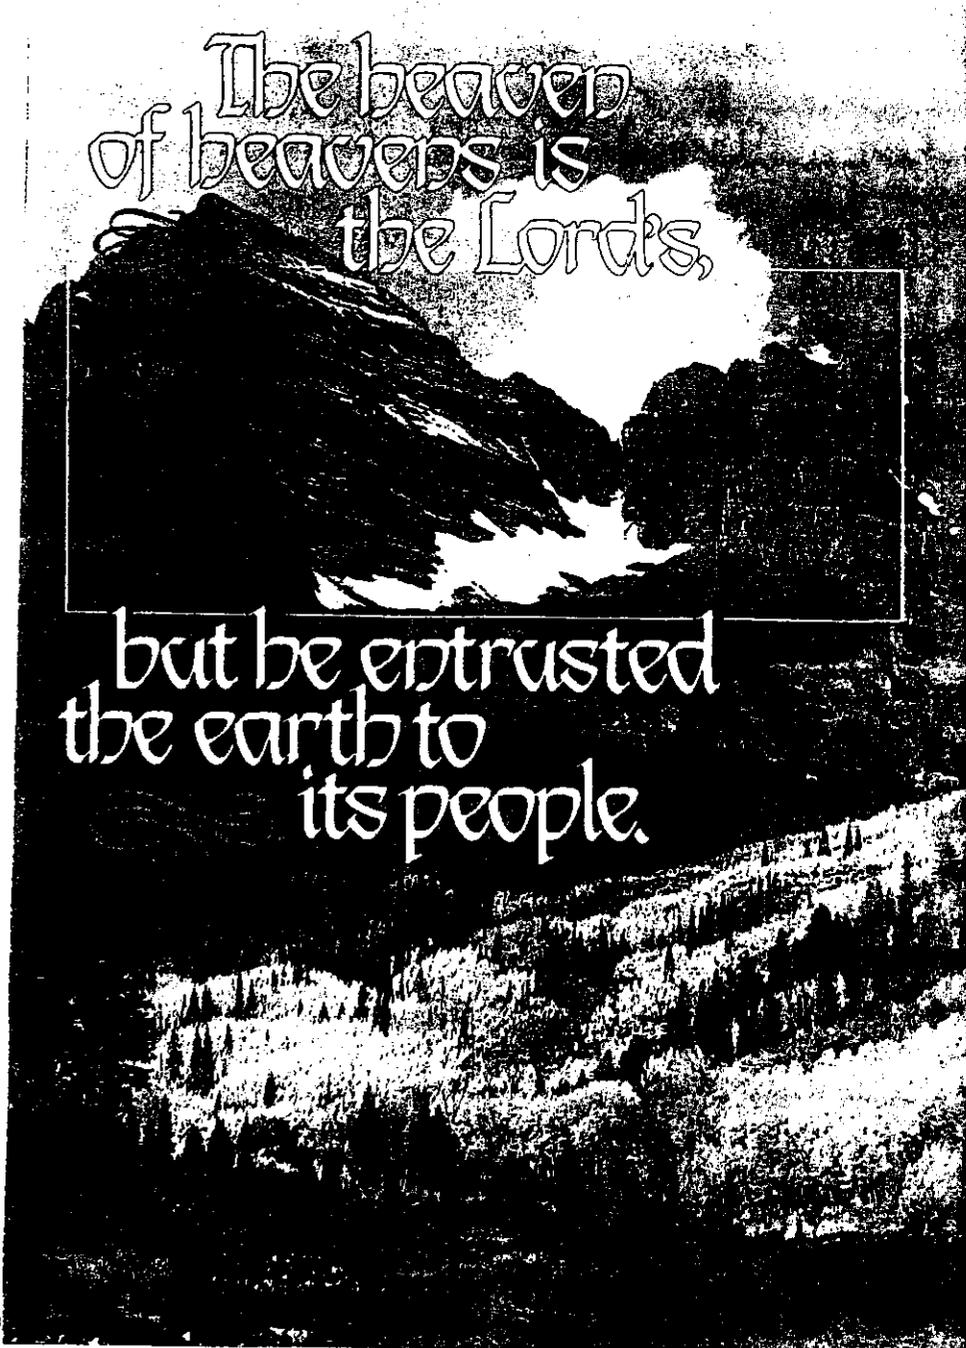

It will take extraordinary prayer to save America. Revival comes only through concerted, united and sustained prayer.

Jesus warned us that we would face evil every day. We must "Watch and pray, lest we enter into temptation".

To be victorious we must seize the advantage over our enemy. An army attacks before dawn. (Psalms 110, 1 Sam 11:11) David rose before dawn and cried to the Lord for help. (Ps 119:148) Jesus rose very early in the morning, while it was still dark...and left the house and went to a solitary place and prayed. After prayer he travelled throughout Galilee, preaching and driving out demons. If we rise early and call to God for help, we will release God to act on behalf of our families, neighborhoods and cities. God will be able to stop abortions in our local hospitals and clinics. He will rescue them from oppression and violence...He will save them from death, for precious is their blood in his sight."

If we are to "turn men from darkness to light, and from the power of Satan to God", we must awaken the dawn each new day.

“God Save the United States and This Honorable Court”

by Derek Packard, Colorado Springs, CO

“God save the United States and this honorable court”, is the statement that has started every Supreme Court session for the last 100+ years. Today men of God must ask our Father in Heaven to answer that prayer dramatically. Lord, either save the Supreme Court and our nation, or save us from this court as they decide not only the legal fate of marriage in the United States, but also how far federal judges can go to squash states rights. Can federal judges override millions of voters who legally amended their state constitutions to define marriage as between one man and one woman? The Supreme court will let us know.

The battle to preserve marriage has now run it’s political course. The biblical view of marriage has been successfully marginalized so much that...

- Employees can now be fired for espousing that marriage is between one man and one woman.
- Business owners face legal action for refusing to provide service for same sex weddings.
- Military Chaplains are fired for talking about what the Bible says about homosexuality
- Many pastors, churches, and denominations have embraced same sex marriage.
- Supreme Court justices have already performed same sex weddings!

Remember at a wedding when the priest says “if there is anyone who objects, speak up now or forever hold your peace.” It’s the last time anyone can object to what is about to transpire. That’s where we are at with marriage in the courts. If Christian men don’t stop what they are doing and cry out to God now.... the chance to do so will be gone for good. As one pastor recently said about the church, “It’s time to turn our cruise ships into battleships and go to war.” How many more bible studies do we need on the Titanic? It’s time for men to pray like their childrens lives depended on it... because that is really where we are headed. Just last week a friend I pray with reported how his 11 year old daughter told him, “daddy, 4 girls in my class announced they were lesbians this week”.

Be on your guard; stand firm in the faith; be courageous; be strong. 1 Cor 16:13

C’m on guys get your butts out of bed and on your face before God.

Supreme Court to rule on 4 Same Sex Marriage Cases

From Supreme Court (SCOTUS) website & blog

February 27, 2015 - Same Sex Couples file briefs

March 27 - States lawyers file briefs - Kentucky, Michigan, Ohio, and Tennessee

April 17 - Same Sex couples lawyers file responses

April 20 through 29 - Oral Arguments for all cases

June 2015 - Decision handed down

The focus of the Court's review will be a decision issued in early November by the U.S. Court of Appeals for the Sixth Circuit that upheld bans on same sex marriage in Kentucky, Michigan, Ohio, and Tennessee. Thus the Supreme Court will be addressing the only Court of Appeals that upheld state amendment bans against same sex marriage. This is significant because it's really the last hope of upholding state rights to domestic marriage because the Supreme Court settled a fundamental issue in a summary ruling in 1972 in the case of *Baker v. Nelson* where they ruled that the federal courts have no jurisdiction to rule on matters of domestic relations, including marriage in the states. That means that the regulation of marriage has to be left to the states to decide. So it appears to me that their decision here would either support or throw out state rights to domestic law as well as confirming appellate court rulings making same sex marriage the law of the land in the United States of America.

Lets be clear, in legalizing gay marriage, we are seeing the pinnacle of secularist "living constitution" thinking. Cal Thomas explained in a recent article, "*Secular progressives believe in a "living Constitution" that constantly "evolves" to serve the people.*"

The Founders (and Blackstone) believed the people are best served when they conform to laws established by God. Blackstone was a contemporary of America's Founders, the founders referred to him more than any other English or American authority. It wasn't until the middle of the last century that the Supreme Court began repudiating Blackstone and started making law and creating rights. As noted on the website Blackstone Legal Fellowship, "Blackstone called this concept (of endowed rights) 'ultra vires,' which means it is beyond the authority of man to write a law that violates God's law. Blackstone also said that law is fixed, it is uniform, and it is universal. It does not change based on who the president is, or who holds judicial positions. It is the same law for everyone at all times and in all places."

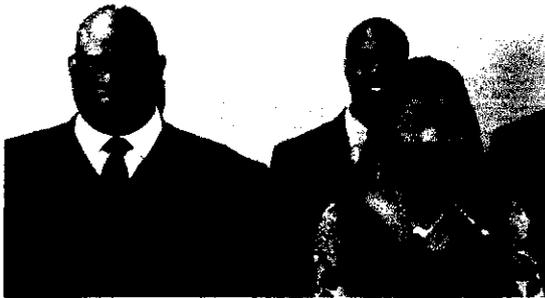

Now if you call yourself a bible believing follower of Jesus Christ, know this. This has all happened on our watch.

Twenty one Egyptian Christians (and many others) preferred to have their heads chopped off rather than deny their faith in Christ. Meanwhile back here in land of the free and the home of the brave, marriage, the fundamental witness of Christ and his church to the world, has been "abominated" or "obamanated" whichever you prefer. But we can't blame the president for this one. It's been in process since before no-fault divorce. As one brother said recently... *it's as if we want to become Sodom and Gomorrah.*

How many hours have you spent on your knees crying out to God about it? Well the Lord impressed on me recently to tell everyone that you get one last chance and then it's time for the full "Harbinger" effect to hit America. It's not like people have not been praying about the marriage debacle. But since we are at the 11th

hour, and we truly need a miracle for marriage to survive, perhaps we should take a minute and ask the Lord

... why our prayers have gone unanswered? Is there any God-given strategy that might turn this battle at the United States Supreme Court when it appears all is lost?

Watch this video from a few pastors who have said enough is enough...(<https://youtu.be/h0Yrabpzc00>)

As you consider your role as a prayer warrior for marriage over the next several months, picture yourself standing before God and the subject comes up about taking a public stand for Christ in Matthew 10... 32 *Therefore everyone who confesses Me before men, I will also confess him before My Father who is in heaven.* 33 *But whoever denies Me before men, I will also deny him before My Father who is in heaven.*

Additional info... Two sitting Supreme Court Justices have officiated same sex weddings

In Sept 2014 Justice Elena Kagan officiated a same-sex wedding, a Maryland ceremony for her former law clerk and his husband.

Justice Ruth Bader Ginsburg has previously officiated at the wedding of gay and lesbian couples, including at the Supreme Court. Ginsburg most recently performed the wedding of Washington theater director Molly Smith.

***A prayer point: *If those two justices simply recused themselves... we would probably win the cases due to majority vote.*

Federal appellate courts have already overturned state marriage amendments in many states, so this is it.

Ten Reasons I'm Asking God to Intervene to Save Marriage

- 1) God's definition of marriage is worth fighting for. And underneath marriage lies the foundation of "man" and "woman". Satan is successfully perverting not just marriage but the fundamental relationship between male and female as God designed it.
- 2) I genuinely care about homosexuals and fear for their souls.
- 3) As a man of God, I believe God calls me to protect my family, my community, and my country against evil and spiritual darkness.
- 4) Legal Precedent - When the federal courts legalize gay marriage they violate states rights and crush religious freedoms. We are already seeing the beginning consequences...and it will get much worse.
- 5) Love - Accepting and celebrating a sinful relationship is not loving those individuals.
- 6) Children - I believe it's heartbreaking to force children to grow up in same sex households. (So do the kids that have done it). It's a lie to teach children that the "marriage" of two men is the same as their mother and father's marriage. Yet that is what public schools must now do regardless of how parents feel about it.
- 7) I believe that the biblical marriage covenant is sacred and the bedrock of a stable society.
Eph 5:25-26 For husbands, this means love your wives, just as Christ loved the church. He gave up his life for her 26 to make her holy and clean, washed by the cleansing of God's word. 27 He did this to present her to himself as a glorious church without a spot or wrinkle or any other blemish. Instead, she will be holy and without fault.
- 8) We are commanded to pray for our leaders. And they are about to codify a huge mistake.
1 Tim 2 tells us to pray for our leaders.
- 9) It will take a miracle to save marriage at this point.
Isa 43:11 I, even I, am the Lord, and apart from me there is no savior.
- 10) God beckons us to bring these type of cases before him.
Isa 43 25-26 "I, even I, am he who blots out your transgressions, for my own sake, and remembers your sins no more. 26 Review the past for me, let us argue the matter together; state the case for your innocence.

When the courts turned away from Blackstone, they turned away from "rights come from God". Learn more about how America abandoned William Blackstone's Commentaries on the Law.
