**Date:** 12/21/2016 1:32:50 PM  
**Subject:** Save the Date! Mediware is headed to The Big Easy!

---

Mediware Events

## We Can't Wait to See You!

It's hard to believe, but it's time to start planning for the 2017 Mediware Customer Conference once again! It will take place August 7-9, 2017, in New Orleans. Please save these dates, so you can be sure to join us.

### **This year's theme**

This year, the theme of the conference represents our focus: "Breakthrough to Excellence: Building on the Best." Just as New Orleans continues to rebuild, we continue to build on the powerful products and partnerships we've developed.

We'll be hosting the event in the heart of NOLA – at the Hyatt Regency New Orleans. Plan to attend three full days of product training, industry educational sessions, a vendor fair, networking with Mediware team members and peers, and one-on-one support sessions in our answer lounge/customer success lab. Additionally, we have some fun activities planned that will incorporate the authentic food, delightful music, and historic traditions of The Big Easy.

### **When can I register?**

Registration will open in late February once our agendas are nearly complete. We know that the agendas factor into your decision to attend, so we are working to fill it up with the types of useful sessions you suggested in this year's survey. Hotel reservation information will be sent out in January.

### **Submit an abstract**

A number of you asked to hear more from your peers on the unique ways of using your Mediware product. We invite you to submit an abstract and present at the Mediware Customer Conference. Give it some thought – we'll be accepting submissions through February 15. Visit the conference website to download the abstract form.

We look forward to seeing you at the 2017 Mediware Customer Conference.
