Richele meet Jeff, who is a friend of the administration and is working with Xerox on this project. He has been one of our points of contact for Xerox and can be yours going forward.

Would you forward this to Richele? I don't have her email yet.

Richele:

Since y'all are having the meeting with the DSS team and Xerox on the Child Support project later this week I wanted to touch base and let you know who is going to be attending the meeting for Xerox.

Dave Amoriell, who is chief operating officer of the Public Sector Business Group for Xerox Services. The Public Sector group provides business process outsourcing and information technology solutions to government, transportation and education customers worldwide. He was named to this position in June 2014 and appointed a corporate vice president of Xerox in February 2012.

Don Hubicki, Group President State Government Services Division, who works for Dave.

Michele Cahn, who is President Xerox Global Government Affairs and Philanthropy and met with the Governor and Ursula Burns XRX CEO at the White House about a year ago on this issue when it was stuck at CMS. They had a pleasant exchange and follow up conversation.

Please let me know if you have any questions prior to the meeting. I won't be able to attend the meeting, but will be happy to chat next week if you'd like on any follow up issues.

Thanks.

Jeff
