Dear Kevin Bryant (ltgov@scstatehouse.gov),

Sydney Torbett (torbettsydneya@icloud.com) has requested that you submit a recommendation for his/her application to the Robertson Scholars Leadership Program of Duke University and the University of North Carolina at Chapel Hill.

We strongly recommend viewing the following guidelines before starting your recommendation: <http://robertsonscholars.org/selection/for-recommenders/>.

To submit your recommendation, please [click here](#). We have included prompts that may help guide you as you write your recommendation, but are happy to accept a more general letter of support.

After you upload your letter, click 'Save & Exit' to submit it and return to the dashboard. The status will read 'Complete' if the letter was successfully submitted.

The application deadline is November 15, 2016. In order for your student's application to be considered, you must submit your recommendation prior to this deadline. No exceptions can be made.

Thank you,
Robertson Scholars Leadership Program
