That works for me! I'll walk over to the State House.

Yes. Tuesday morning works great, the earlier the better. I've got somebody coming to my office at 10:00 but I can meet before then! I'd be glad to walk over!

I know you're out today (congrats), but I wanted to reach out to see if you could come by next week to meet with Rafi Nolan-Abrahamian. He's our summer fellow from Harvard for this year – he'll be here until early August.

I wanted him to talk to you about next year's budget/policy initiatives for K-12. Where there are opportunities, what's worth exploring, ideas about who else he should meet with, etc.

Unfortunately, I'm on the clock with the budget and some other veto messages, so I'm not sure I'd be able to sit-in the whole time, but I'll try to. Do you have time on Tuesday morning, perhaps? Thanks.
