Subject: constituent response - CON

---

Holly – Do you approve of the constituent response below?

Dear Dr. Wilson,

Thank you for contacting Governor Haley's office with your supportive words of her efforts to end the Certificate of Need program in South Carolina. The Governor is continuing her fight against the program, which she believes is contrary to the virtues of free markets and open competition.

Currently, House Bill 3250 sits on the Senate calendar, and its contents are being debated as to the future of CON in South Carolina. Should you wish to contact your state senator about your thoughts on CON, then we would encourage you to do so. Legislators' contact information can be found at [www.scstatehouse.gov](http://www.scstatehouse.gov).

If there is anything else our office can do for you, please let us know.

Sincerely,

Rebecca Schimsa  
Governor's Office
