Tony,
Once you and the new Lt. Governor finish your current tour of the state's senior centers, I would love to find time so that we can brief him on the LTC Taskforce. Would you be willing to mention this to him? Also, who is the best person to contact to arrange a briefing? I would think that including Joel Smith and Kester Freeman (as before) would be valuable. Please let me know what you think would be the best approach and timing to such a briefing.
Thanks,
-Lee

P.S. Hope your leg is on the mend!
