How does this look?

"We're proud of South Carolina's unique culinary history and culture, and we couldn't be more excited that our four Chef Ambassadors have the chance to showcase for the entire country their award-winning work," said Governor Nikki Haley.

See attached, a special announcement about our chef ambassadors appearing at the prestigious James Beard House to offer South Carolina inspired meals this fall. We have incorporated a quote from Governor Haley. Can you please review and provide feedback at your convenience this week?

Subject: James Beard House Dinner Press Release | Please Review | Pass On

Hey Dawn –

Attached please find the press release announcing that the SC Chef Ambassadors will be the featured chefs at the James Beard House this fall. Beverly has approved the attached release.

Next steps is for you to review, Duane to approve and Governor Hayley's team to approve.

I would love for this to go out this Thursday morning, but understand if that's too soon and needs to be pushed to next week. If that's the case, I would suggest sending on either Tuesday, Wednesday or Thursday of next week.

The media focus would be culinary, travel and leisure.

Who should release this, Beverly? I feel like it's more my camp, but will defer to you!

Thanks so much,
Kim J.

Ps. Dawn, if you have any suggested edits, please let me know!
