I apologize for not being able to join yesterday. We spent most of the day conferring with the Co-Monitors and in-between I had 2 calls with the Children's Bureau. The call with the Co-Monitors was very helpful. I believe we are on the right track with what we'll be reporting on interim relief this month and we also received some good technical assistance to help us move forward on the 2 remaining sections of interim relief.

**Subject:** Defendants' Proposed Reply November 12

Good afternoon:

Andy, Justice Corrigan, Monty and I conferenced this afternoon in an effort to get the defendants' reply ready for production tomorrow. We asked Matthew Richardson for a word version of the document and he was requesting permission, we assume from Children's Rights. We NEVER received. It will be tomorrow morning (assuming they produce) before we can circulate the defendants' proposed counters. Have a nice evening. B
