Subject: Proclamation - Declaring February as Teen Dating Violence Awareness and Prevention Month

Last year Governor Haley was kind enough to do a proclamation for Senator Alexander to present at West Oak High School in Oconee County. It declares the month of February as Teen Dating Violence Awareness and Prevention Month.

If it would be possible to do this again, he would really appreciate it. West Oak High School has asked him to present it at their school assembly in the early part of February.

Thank you for asking Governor Haley for her consideration of the proclamation and please call me should you have questions.
