## Michigan joins CWRC initiative

ACT is pleased to announce that the State of Michigan has been admitted to the Certified Work Ready Communities Academy. The state will begin its CWRC efforts with a state-regional pilot focused in Western Michigan. We're excited to have them on board, and looking forward to announcing additional states soon to group 3!

## March NCRC data posted

We have updated the **CWRC website** with county-level National Career Readiness Certificate data through March 31. We publish the NCRC data at the state and county level to provide information to help policy makers and economic developers develop their workforce. Please feel free to contact us should you have any questions.
