Re: S.C. FOIA Request

Dear Mrs. Schimsa,

I Received your Response letter on June 11, 2014 to my S.C. FOIA request, requesting a copy of all the state laws that were passed in the 2014 Legislative Session, vetoed; overridden by the General Assembly, and state laws that became law because the Governor refused to sign them.

You stated that all the information I requested is on the S.C. Statehouse website.

Please be advised that I do not have access to this specific website.

AS AN S.C. INMATE, my internet
Access is limited to only current
laws, AND court cases. IF I
look AT the code of laws page
here AT the prison, I would
not be ~~able~~ able to distinguish
between the new laws AND laws
that ARE already in affect; therefore,
I request A paper copy OF
the laws that were approved
during the 2014 Legislative
session please?

Please mail to me AT:

George Cleveland, 35777B
EVANS Correctional Institution
610 Hwy 9 West
Bennettsville, SC 29512

With kind Regards,
George Cleveland
