The NSL is starting its 8th year of Senior Wii Bowling Championships. We crown National Champions in 7 Divisions based on level of play. We also award champion titles in 40 or more conferences. In the NSL everyone has a chance to compete.

**PLAY IN YOUR OWN COMMUNITY. NO TRAVEL REQUIRED.**

Teams from all over the U.S. play in the NSL. The just completed Regional Championships had over 1,600 senior Wii bowlers from 32 states representing 116 communities.

Registration fee is \$150 for each community. A community may enter as many teams as they want. Most communities enter 2 or 3 teams. Several communities have more than 10 teams competing.

A team is made up of 4 Wii bowlers. Teams play on their own schedule between Sunday and Thursday. Scores are posted on line every Thursday night. Results are posted on line Friday morning.

The NSL provides schedule of play, keeps team and individual statistics, provides each team with its own web page and hands out numerous awards at the end of each season.
