Tori Beth,

It was nice talking with you. I will let JB Charleston leadership know the Lt Gov will not need additional security and the group will arrive in two SLED vehicles with an arrival time of 1 p.m. at the Dorchester Gate Visitor Control Center, vehicles will be left at the VCC. I will meet the Lt Gov's group in a surrey and escort everyone to the Wing HQ Bldg. The tour will last from approximately 1 to 4 p.m. and public affairs will provide an itinerary and GPS location the soonest.

As discussed, summery bios of yourself and 2 staff members would be appreciated. PA has already provided Lt Gov Bryant's bio to leadership.

Regards,

Jamie

Tori Beth,

Will a photographer accompany your group? If not, we have a base photographer who can cover the visit. Also, are you planning on having media attend this event?

Hi sir,

July 26th will work great. Could we possibly do it sometime that afternoon, maybe 1:00 or 2:00pm? He will have between 2 and 3 hours for the tour and is open and interested in seeing whatever you think is best for him to have a greater understanding of the base's function. He would also love the opportunity to speak to some of the service men and women for a few minutes if at all possible in order to show his appreciation and thank them for their service.

I can give a final number of attendees the week before, but there will probably be 6 total people: the Lt. Gov, his wife, two staffers including myself and two members of his SLED detail.

Please let me know if you need any additional information in the meantime.

Thank you!

Good Afternoon Tori Beth,

Per our conversation. The best available date for Lt. Gov. Bryant to visit Joint Base Charleston is 26 July after 0900. Please let us know if this timeframe fits into his schedule and how long he can tour Joint Base Charleston.

Best Regards,

James Bowman

Sir,

I also wanted to let you know the Lt. Gov. will be in Charleston and available all day on July 5th. I know that might be a worse option with July 4th festivities going on, but I did want to mention it in case it worked better.

Thanks!

Tori Beth

Subject: Lt. Gov. Visit

Hi sir,

Thank you so much for speaking with me earlier. Lt. Gov. Bryant would like to dedicate the entire month of July to our military and first responders, with the goal of visiting as many Police and Fire Departments as possible as well as all of our active military bases in the state.

At each base, he hopes to tour the facilities and speak with some of our service men and women to thank them and show his appreciation. That being said, I have asked each contact at each different base what the best setup regarding a tour would be. I know each base's function is extremely different, but I am unfamiliar with all you have to offer. The Lt. Gov. is open to anything and everything. Thus, if we are able to tour, what do you think would be best for him to see?

He is planning on being in Charleston on Tuesday, July 25 if there is any availability that morning around 9:00am or that afternoon after 1:30pm. If that day doesn't work, we would be happy to find another time!

Thank you so much for your help, and please let me know if you need any additional information from me.

Thank you!

Tori Beth
