Katherine –

Much as I would like to meet with Ted next week, I will be out of town most of next week and again the week following. Does he have any availability the week of October 7th? My calendar is pretty clear that entire week if he has a window. It might also be good to have someone from the plant or from Chicago come in to be part of that discussion if that is ok with him.

Please let me know what works best for him.

Thank you!
Hope

Hope,
It was a pleasure meeting with you. I look forward to working with you in the future.
As a follow up are you able to meet with Ted next Thursday, September 26, to discuss Santee Cooper?
He has 8:30 a.m. – 10:00 a.m. available.
I look forward to hearing from you.
Thank you,
Katherine

Katherine –

It was great to have met you yesterday and thanks from our team for a very positive meeting with the Governor.

We all enjoyed the RGA events and I especially loved having such a good meeting in South Carolina . A reprieve from the airport this week was a nice change and more importantly, it's always fun to show off the Low Country to people from out of town!

With apologies for being at a meeting without cards, did want to reach out and share contact information. We look forward to working with you, Ted, the Governor and others from BP moving forward.

Thanks again and please do not hesitate to be in touch any time.

All the best,

Hope Lanier
