Dear Ms. Martin:

Senator Phillip Shoopman's office contacted our agency on your behalf regarding Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI) benefits.

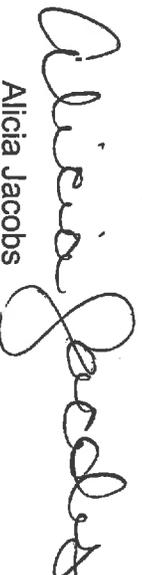

The SSDI and SSI programs are administered by the Social Security Administration (SSA). If you choose to appeal SSA's decision, you should call the Greenville SSA at (864) 233-1116.

The Department of Health and Human Services administers the Medicaid program in South Carolina. Medicaid uses the same disability rules as SSA to determine eligibility for our Aged, Blind or Disabled (ABD) program; therefore, you are not eligible for Medicaid benefits at this time. If SSA reverses their decision, you may apply for the ABD program by completing the enclosed application and returning it to your local Medicaid office.

An alternate health insurance option through Augco Benefits offers a variety of health insurance plans from top-rated insurance carriers. You may wish to look over the enclosed brochure and contact them at 1-866-273-5613 to see if they can be of assistance. Also enclosed is information on other programs and organizations that can assist residents in South Carolina with their healthcare services, prescriptions, inpatient hospitalization and daily living needs.

If you have questions about the Medicaid program, please call Jenny Lynch in Constituent Services at (803) 898-3965. I hope this information is helpful.

Sincerely,

The Honorable Phillip W. Shoopman
Member, South Carolina Senate
Post Office Box 142

Dear Senator Shoopman:

Thank you for contacting our agency on behalf of Ms. Janet Martin regarding Social Security Disability Insurance (SSDI) and Supplemental Security Income benefits (SSI).

Since the SSDI and SSI programs are administered by the Social Security Administration, we referred Ms. Martin to their Greenville office for assistance. Medicaid uses the same disability guidelines as SSA when determining eligibility for a disabled adult; therefore, Ms. Martin is not eligible for Medicaid benefits at this time. We provided her with helpful resources that can assist residents in our state with their healthcare services, prescriptions and daily living needs.

Thank you for your continued interest and support of the South Carolina Medicaid program. If I may be of further assistance on this or any other matter, please let me know.

Sincerely,
