Yeah, too early for official/definitive, but at this point I'd call it "fairly likely" that there are recommendations relating to K-12 funding...not that the proposed changes would necessarily be radical. I'll have a better sense once I see the estimate.

Christian and/or Ted,

Not looking for an official or definitive statement, but are y'all still thinking about making some recommendations on reforming education funding/EFA in the FY15 Executive Budget? Thanks - Paul
