## HELP HELP HELP HELP HELP HELP

Dear Ms. Nicky Halley,

Ms. Halley I'm writing because I'm being denied liberty a violation of my U.S. Constitution amendment 14<sup>th</sup>. I am false imprisoned within SCDC custody I've wrote Petitions, Habeas Corpus, and other motions for my immediate release. I got locked up in Berkeley County on Jun 19, 2013 I've been in the H.F.D.C for 458 days before I was sentence. I got sentence on Sept 19, 2014 for Escape/ Attempted Escape the charge I got locked up for on Jun 19, 2013 was dismissed on Sept 19, 2014 therefore I had warrants on me without Probable cause on an officer good faith trying to put something on me that I didn't do. Now I'm faced with Attempted escape. Mine I would of never caught any charge if the officer would of never placed a false warrant on me. So now I'm doing time on a 4 years sentence for escape/ Attempted with 458 days accredited by sentencing Kristi Lea Harrington but SCDC Broad River C-I is not given me my credits I've over exceeded my max out date and it's been months past my max out date and I wrote General Counsel and a woman by the name of Annic Runkler Is not doing her job at General Counsel and Ms. Mimie Macon here at B.R.C.I of classification is also being very deliberate indifference in given me my credits and Grossly negligence I ask of you to please please please act on these people cause it's by Law § 24-13-40 that I'm to act my credits I trust and hope that you can help me out. Thank you and have a Blessed day.
