

Governor Haley,

3-05-15

I sent some forms  
and asked for your help getting  
my Cosmetology license. I was  
very frustrated but I received a  
letter from Cosmetology Board + I  
received my license. I thank you  
for any time it took for you to  
go over my request. I just  
didn't know what to do but it  
all worked out.
