Dear Hibernians,

On behalf of the people of South Carolina, I am pleased to send my best wishes to you and your families on this St. Patrick's Day!

It's a great day in South Carolina as our Irish heritage is once again brought to life through your annual St. Patrick's Day parade. This has become a highly-anticipated event for thousands who line the streets in celebration of the Irish immigrants who have contributed so much to the culture of our state and nation. Thank you for your efforts on behalf of the community and for continuing such a festive tradition that makes our state proud. God bless.

My very best,
