Ranger Cathy is back from Paris Mountain State Park and today she's wading in the creek to help you explore the life that calls the creek home! Check it out.

Jean Arden Miss you all at PMSP. Miss the hike around the lake and the stream study with the school children. Stay safe and thank you for lifting our spirits.

Sierra Hylton For anyone that wants to learn more about macroinvertebrates and monitoring water quality check out SC Adopt a Stream. It would be great to have a FREE workshop in the future for visitors of your state park.
