Is there any discount code this year for Santee State Park? I would like to book some trips and I know last year there was one for 20% off.

What happened to the pictures you took at Santee State Park yesterday? Please send me a copy if you are not going to post. I would have took the group picture had I known you were not going to post. Thanks! Nancy Bilton from St. Matthews, SC!!! Your biggest fan!!!!

Hi Nancy. It was actually posted on our instagram feed. I rotate the pictures around to populate all of our social media. I can surely send you a pic too. What's your email?

Nancy, we can still put it on facebook. We have to spread photos out and cannot post everything at once. I probably have about 20 parks that I have not posted from. I will surely get it out there for you!
