Ok. I think I see what the issue is. On the first screen up at the top right, you need to log off. The robertsj@aging.sc.gov is not valid any longer. Try logging in using just "robertsj" and the password should be the same. Let me know if that solves the issue.

Hey Danny! Just wanted to check back with you to see if you got things worked out or if you are still having trouble with the Aiken Standard?
