

Toccoa Bailey Wise Switzer

March 16, 2015

Dear Nikki,

I'm writing to ask you to save Saturday, May 9th on your calendar. We are having the opening of the Piedmont Physic Garden in Union. This is a new nonprofit organization dedicated to horticultural and environmental education. We are having the ribbon cutting at 4:00 at the garden but the reception will be held at USC-Union. A formal invitation will follow but we wanted you to save the date if you can.

Sincerely,

Toccoa Switzer
