Dear Reader,

Urgent news out of Washington, D.C...

At this moment, a shocking cover-up
<<http://my.officef5.com/linkredir.aspx/gE2YL6ot/HatjuIC9/ro1.hsionlineorders.net/335634>> involving Obama, Congress and the FDA is threatening the lives of over 45 million Americans... including you.

If you thought the ObamaCare lies were bad, what you're about to hear will blow your mind. In fact, some leading experts are suggesting this betrayal
<<http://my.officef5.com/linkredir.aspx/gE2YL6ot/HatjuIC9/ro1.hsionlineorders.net/335634>> warrants criminal charges.

And don't think for a second that you're safe. Fact is, if you are 55 or older, you are right smack in their sights... with a bulls-eye on your back.

Bottom line: You need to know the truth before this cover-up kills you or someone you love.

The following video

<<http://my.officef5.com/linkredir.aspx/gE2YL6ot/HatjuIC9/ro1.hsionlineorders.net/335634>> before the "powers that be" shut it down. This is truly a matter of life or death, so don't delay. Watch the video now

Sincerely,

Paul Amos
Associate Director, HSI

P.S. The American Medical Association reports 297 deaths per day. That's one death every five minutes related to this ruthless cover-up. Don't be the next victim! Watch the video now...
