Is Governor Haley doing any interview in New York?

Are you in New York for the meeting with President Elect Trump? Do you have any time to meet?

Rob and Chaney,

Good Afternoon! I wanted to know if Governor Haley could join Erin Burnett to talk about President Elect Trump

I saw a report she may be pegged for Secretary of State in new Administration- Erin is very heavily in foreign policy and has traveled to numerous countries with key foreign policy leaders in both administration.

Thank you
