To Governor Haley:

My name is Mason Fish and I am learning about South Carolina. We are making state brochures and I would like some information about South Carolina's history, tourism, geography, and famous people.

I would appreciate this information by January 16, 2015.

Thank you,

A handwritten signature in cursive script that reads "Mason Fish". The letters are connected and fluid, with a prominent loop on the 'M' and a long tail on the 'h'.
