Check out this photo from park visitor Jane Ochsenbein! Did you know both Hunting Island and Myrtle Beach state parks allow horseback riding on the beach during the winter months? Check out each park's website for months allowed and specific info!

**Jane**

Beautiful day for park volunteer day at Myrtle Beach State Park! Our group fixed all the beach access markers & enjoyed all the horses in the beach :)

**Debbie Linnenkohl Blohm** Looks like so much fun. I always wanted to take my horses to the beach and ride. I will put that back on my bucket list!

**Brandee Whinnie** I love this! Volunteers in the foreground performing much needed maintenance for the State Park, and volunteers on horseback riding for the American Heart Association Beach Ride! Great job, everyone!
