The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley,

I am Rennie and I am assigned the state of South Carolina for a state project at my school. I am in fifth grade and I am really, really excited to do the project. I am just the kind of person you want to do a report about South Carolina. This is because I am very organized and I have great ideas!

I like this state because it is on the coast. I've never actually been there before, but I have seen pictures. I am sure there are a lot of amazing and fascinating places and sights. Some places I want to go to are Huntington Beach State Park- to go swimming, the Blue Ridge- to go white water rafting on the Chattooga River, and maybe Hilton Head Island- to ride a horse.

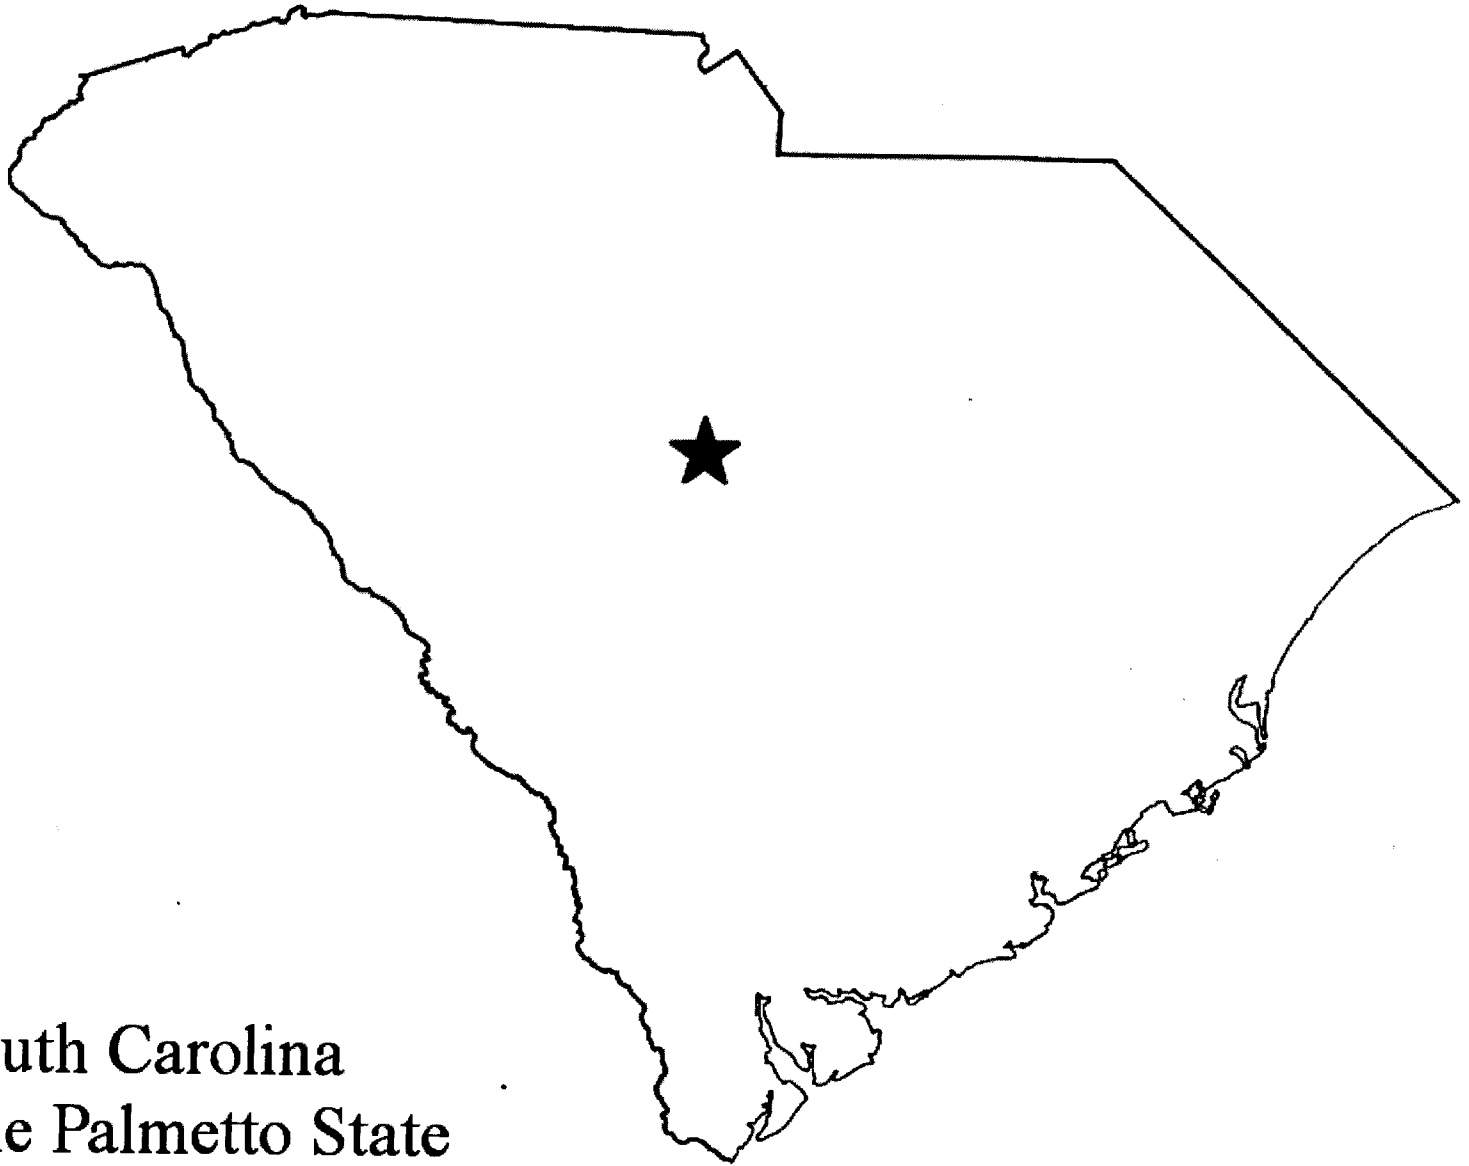

I need to collect information about South Carolina, so could you tell me your favorite monument in the state? I also have a request for a photo of that monument if you can. Maybe you could send me a brochure, instead, about South Carolina or about that monument. Another question I have is why did you want to become the governor, and is it hard?

Thank you for reading my letter. When you are not busy, please send me a letter back by December 11, 2015, if you can. Would you also sign your name on the state of South Carolina on the map that I have enclosed. Like I said before, I am very excited to learn about South Carolina!

Sincerely,

A handwritten signature in black ink that reads "Rennie". The letter "R" is large and stylized, with a small heart drawn above the letter "i".
