**Subject:** New Technology Track at the HCBS Conference

---

Join us for the National Home and Community Based Services (HCBS) Conference held in Washington, DC, **August 31-September 3.**

---

## **New This Year at the HCBS Conference: Tools for Life Technology Track**

Join us for the [National Home and Community Based Services \(HCBS\) Conference](#) held in Washington, DC, August 31-September 3. This year we have a track focused on technology and innovation to help older adults and persons with disabilities become more independent and involved in their community.

The **Tools For Life: Technology Track** will have a workshop during every time slot throughout the conference.

These sessions include a variety of lessons including discussions on tablets and apps that help with accessibility, using technology to gather data and assist with delivering services, and how technology can help with self-directed services.

The Tools for Life: Technology Track will also offer open lab demonstrations, allowing HCBS Conference attendees to test out tablet apps, and even see robots that can help seniors and people with disabilities in their homes!

This track throughout [HCBS Conference](#) highlights the work organizations have done to expand and improve services and to increase the quality of life for older adults and people with disabilities.

## The Exhibit Hall is Filling Up!

### Book your Booth Today!

This year's new hotel offers a bigger, nicer exhibit hall! Consider sharing the work your company or organization has been doing to improve the lives of older adults and people with disabilities by reserving a booth in our exhibit hall. This year's conference will include a lunch and evening reception (with dance party!) in the exhibit hall. This is a great opportunity to share your work or products.

Send Kimberly Fletcher an email today to reserve your booth before they're gone!

## Book Your Hotel Today!

### We are in a new hotel this year!

To better fit the growing interest in this conference, we are excited to announce that the 2015 National HCBS Conference will be held at the Washington Hilton, in Washington, DC.
