Hi Chaney,

I wanted to touch base with you again to see if the Governor had a statement regarding Rubio's comments last night in Virginia.

The story will be airing this evening and any sort of comment from the Governor would be appreciated.

My deadline is now 5:45 p.m.

Thank you,

Karina Bolster

Good Afternoon Chaney,

I was wondering if the Governor was going to issue a statement following Rubio's comments earlier today about Trump.

Rubio attacked Trump talking about his spray tan, along with the size of his hands (in a sexual way).

I'm aware Governor Haley said Trump's behavior was "unacceptable".

Any word on her thoughts on Rubio's words considering she endorsed the Senator?

Any help would be greatly appreciated.

My deadline is 3:30 p.m. today.
